

Pre-booking for Workshops

Pre-booking required for the following workshops – places are limited and will be assigned on a first come basis. So book early to avoid disappointment.

Please note that you can only book one workshop at each session and that all iPad workshops run for 1 hour only. There will be another iPad session on Sunday in the hotel after Bill Lynch, from the NCCA, who will present on the New Junior Cycle.

The Conference Opening & Closing Sessions will take place in the **Ashdown Park Hotel**. All the Saturday events will take place in the nearby **Gorey Community School**, apart from the Conference Dinner which will be held in the hotel.

All are welcome to everything once registered and booked in advance!

We have some world class speakers again this year speaking on very topical issues.
See website for details www.ista.ie

| Time/session | Title | Limit | Please select 1st and 2nd choices in each session |
