

Physics Misconceptions Workshop

If you teach **Junior or Senior** Cycle Physics register for this workshop to:

- explore common misconceptions and how they can be identified
- explore ICT resources to stimulate and enhance understanding of physics principles for both you and your students
- experience Inquiry based demonstrations
- enjoy the uplifting conversation with supportive like minded colleagues

A complete set of Inquiry Science Experiment Books for Physics, Chemistry and Biology books from Castel will be distributed on the night.

*Designation of hours under the Croke Park Agreement is at the discretion of School Management (DES CL 25/2011 and CL 43/2014). A confirmation of attendance will be available

Date	Time	Venue
Feb 10th 2015	7.00p.m.—9.00p.m.	Limerick Education Centre
