

<http://dealbreaker.com/uploads/2012/06/>

This course is aimed at all Ag Science teachers, both new and experienced, to enable you to improve your students grades.

The workshop will include:

- ◆ An overview of the Ag Science course and new practical guidelines for 2014
- ◆ A review of Chief Examiners Reports
- ◆ Practical tips to maximise student success on both the written exam and project work
- ◆ Discussion about practical experiments in preparation for a teachers' lab day in the University of Limerick (UL)

Please Note: As places are limited at the teachers' practical lab day in UL, preference will be given to those teachers who attend this in-service event. Details of the lab day are outlined in the attached flyer.

This course may be used as part fulfilment of Croke Park hours subject to local agreement. A certificate of attendance will be provided on the night.
