

Autumn 2013

Master the ABC's of AFL in Biology

Find out how to implement Assessment for Learning easily into your biology classroom using the Biology DVD

Learning outcomes, Success Criteria, Questioning, Tips for Feedback, Peer and Self Assessment—all covered on the night!
Develop Strategies for AFL that can be used in your classroom

As usual a wealth of new resources will be provided on DVD. These include resources both for students and for teachers.

New resources now available to enhance Literacy and to engage students in Assessment
