

# CASTeL Science Teaching Summer School

## 2<sup>nd</sup> & 3<sup>rd</sup> or 23<sup>rd</sup> & 24<sup>th</sup> June 2015

The 2015 CASTeL Summer School theme is *Inquiry and Assessment*

CASTeL's 5th annual summer school will provide teachers with the opportunity to expand their teaching repertoire specifically in the areas of inquiry and assessment. The content addressed will be targeted at Junior Cycle level, however both the content and teaching approaches are transferrable to Senior Cycle.

**Day 1:** Inquiry – what it is and what it is not! Constructing Inquiry lessons

**Day 2:** Assessing Skills developed through Inquiry

This summer school is provided **free** to participants and will run from 9.30am to 4pm. Accommodation is available on request.

All participants will receive copies of materials developed through CASTeL led EU funded projects in Inquiry Based Science Education, SAILS and ESTABLISH

To register and find more information please email: [castel@dcu.ie](mailto:castel@dcu.ie), register online at [www.dcu.ie/castel/events/teacher-workshops.shtml](http://www.dcu.ie/castel/events/teacher-workshops.shtml) or call 01 700 5276.

This project has received funding from the European Union's Seventh Framework Programme for research technological development and demonstration under grant agreement no 289085 (<http://sails-project.eu>)
