

Chemistry Support Service

Local Network Evening Meetings March 2010

SECOND LEVEL
SUPPORT SERVICE

Resource CD

From March 1st evening meetings will take place in every Education Centre in the country. Each of these meeting will consist of a workshop on the use of the new resource CD produced by a team of experienced Chemistry Teachers. This CD, which will only be distributed at the meetings, will contain

- (i) PowerPoints,
- (ii) Worksheets,
- (iii) Flash Animations,
- (iv) Past Exams and Solutions,
- (v) Images and
- (vi) Video clips for each of the sections in the Chemistry syllabus.

The CD will also contain Chemistry Posters for use in the classroom which can be sized from A4 to A0 without any loss in quality. These posters may be commercially printed and laminated at minimal cost. There will also be instructions on how to download a wealth of Chemistry resources from the Chemistry website. These workshops are organised in partnership with the Education Centres and with the local branches of the ISTA.

Why not take this opportunity to meet fellow chemistry teachers in your area. If you have any worthwhile resources that you use in your classroom this will be an opportunity to share them with others, so bring along those memory sticks.

Venue	Date	Time
Athlone Education Centre	Thurs Mar 18th	7 to 9
Blackrock Education Centre	Thurs Mar 11th	7 to 9
Cork Education Support Centre	Wed Mar 3rd	7 to 9
