

# Amgen Science Teacher Training Initiative

## Digital learning Activities Ireland

CASTeL, at DCU, are delighted to announce a short series of Digital Learning Activities as part of the **Amgen Science Teacher Training Initiative 2013**.

During October and November our workshop facilitators will be available on-line to discuss ways to teach science by inquiry. Also we will be making available materials around teaching science by inquiry before each discussion session.

### October 2013

Mo	Tue	We	Thu	Fri	Sat	Sun
14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29	30	31			

### DISCUSSION TOPICS

19:00-20:00

**Inquiry Experiences**

### November 2013

Mo	Tue	We	Thu	Fri	Sat	Sun
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	

19:00-20:00

**Changing lessons**

16:00-17:00

**Starting with Inquiry**

16:00-17:00

**Assessment in Inquiry**

## PARTICIPATE

We invite you to register your interest to participate in these online discussions by visiting the **Teacher Community**, at [www.scienceteachertraining.com](http://www.scienceteachertraining.com)

For each topic there will be a link to a **Webex/Blackboard Collaborate** room. To fully participate you will need headphones or a speaker to listen in on the discussion. You can also take part in the discussion if you have a microphone or if not, you can use the chat tool and type your questions or comments.

TEACH

INSPIRE

INNOVATE

If you attended a workshop this summer, we offer a special invitation to join us and **share your experiences of teaching science by inquiry**.

While on the Teacher Community, why not check out the library of resources developed by facilitators and participants of the ASTTI from across Europe, or upload your own!

For further information please contact: Deirdre at CASTeL on 01 700 5276 or email: [castel@dcu.ie](mailto:castel@dcu.ie)
