

SCIENCE AND TECHNOLOGY IN ACTION

Science & Technology in Action, Tipperary Schools Table Quiz

We invite Transition Year and Fifth Year students to participate in a Table Quiz sponsored by the *Science & Technology in Action* education resource.

Date: Thursday 13th May 2010

Venue: The Ursuline Secondary School, Thurles, Co. Tipperary

Time: 7.30pm

R.S.V.P. by Wednesday May 5th with teams to Sara Cosgrove
(contact details below)

All queries to Sara also please

We would be delighted if each school could put forward around 5-7 teams or as many as is possible. Each team will comprise of 4 students.

Focus of Quiz Questions:

The questions will be based on the topics covered in the fifth edition of the *Science & Technology in Action* resource and related curriculum. Questions will link across the Biology, Chemistry, Physics and Technology syllabi. The Science & Society theme will be reflected in many of the questions.

There should be a copy of the fifth edition in each school with an accompanying CD. Please let Sara Cosgrove know if you require further copies. Alternatively, all the lessons from the fifth edition are available on www.sta.ie

There will be a number of excellent prizes for the winning team and runners up.

AG Education Services would like to take this opportunity to thank the Ursuline Secondary School for hosting this event by kind permission of Sr. Berchmans Whelan.

We look forward to meeting you then.

The Science & Technology in Action Team.
