

November Network Meetings 7pm-9pm

Changes to the current chemistry syllabus and the 2014 LC Chemistry paper will be discussed on the night

From November 5th, evening meetings will take place in Education Centres throughout the country. Each of these meetings will consist of a workshop on the use of resources produced by a team of experienced Chemistry Teachers. The following topics are included:

- (i) **SEC recent circular:** We will provide you with the latest information on the new practical to prepare benzoic acid. Videos of the cobalt chloride experiments and the solvent extraction of clove oil will be available.
- (ii) **Assessment for Learning:** Chemistry apps for your computer and phone to aid assessment for learning strategies.
- (iii) **Chemical Formula Resource :** Templates provided
- (iv) **Stimulus to engage activities :** Kick start your lessons. Get your students attention with these instant attention grabbing Chemistry resources to introduce new topics or just to spark a conversation.

Why not take this opportunity to meet fellow chemistry teachers in your area. If you have any worthwhile resources that you use in your classroom this will be an opportunity to share them with others.

Bring along a memory sticks (2GB) If you have a smartphone or a tablet please bring it along with you.
