

NUI MAYNOOTH
Ollscoil na h-Éireann, Má Nuad

Dublin Chemistry Graduate School and
Dublin Region Higher Education Alliance Chemistry

cordially invite you to a talk by

Dr Samantha Tang
(School of Chemistry, University of Nottingham)

**Putting the Fizz into Chemistry
- taking science to schools
and the public.**

On Friday 12th November 2010 at 11.00

In the Senior Sophister Room
in the School of Chemistry, TCD

It is hoped that Dr Tang's lecture will be followed by a discussion,
which will consider different approaches being taken in the various
DRHEA institutions and also review possible new initiatives
If you would like to contribute please contact Prof. John Kelly
(jmkelly@tcd.ie)

This session is part of Dublin Chemistry Outreach Module Chem 40380

*Dublin Region Higher Education Alliance (DRHEA) graduate education funded by cycle II
of the Strategic Innovation fund*
