

Physics Spring 2014

Induction Day 2

Have you recently qualified as a Physics teacher or just returned again to Physics teaching? Or maybe just need assistance with experiments?

If so, then this day of in-service may be for you.

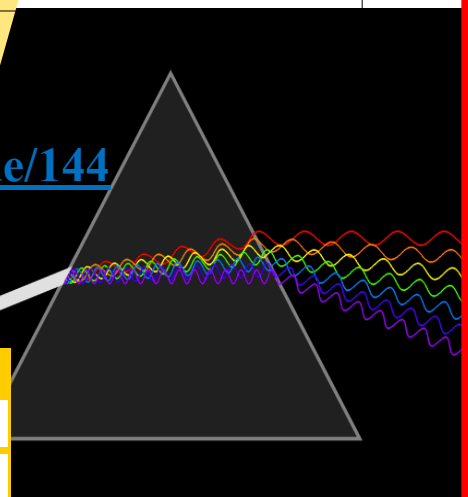

In this workshop you will have the opportunity to:

- Explore Enquiry Based Learning
- Gain hands-on experience with some of the Mandatory Experiments
- Engage in thought provoking demonstrations
- Acquire expertise in using particular Physics apparatus
- Share resources
- Meet with other Physics teaching colleagues?
