

Second Annual BASF Summer School for Chemistry Teachers

Key Practical Skills in Chemistry and Assessment of Practical Work.

Eureka Centre, Kane Building, University College Cork.
Tuesday 2 July and Weds 3 July 2013. (Day 2 is a repeat of Day 1).

The aim of this summer school is to update chemistry teachers on the revised Leaving Certificate Chemistry syllabus and on the proposals to introduce assessment of laboratory practical work. In addition, we hope that you will get lots of new teaching ideas from the lectures and lab practical sessions.
