

SCRIPT 2014 - SCRATCH International Programming Trial

There will be 2 events:

1. **Scratch programming competition** according to the rules at <http://1drv.ms/1hobuEl>.
2. **Symposium** according to the rules at <http://1drv.ms/1nvg6js>.

It is possible to participate in both activities (contest and symposium) or just in one

For this edition of the contest will only be accepted projects written in Scratch 1.4.

The **deadlines** of the SCRIPT 2014 project are:

- 15 April 2014 – Registering for competition at <http://goo.gl/INC9ce>
- 1 May 2014 – Registering for symposium at <http://goo.gl/WUsgQJ>
- 8 May 2014 – Submitting material for symposium at scriptrial@gmail.com
- 9 May 2014 – Conducting online symposium
- 15 May 2014 – Submitting the projects by email at scriptrial@gmail.com. Each coordinator teacher will receive by email a registration form (an Excel file) which will fill in. Scratch projects will be renamed according to the names generated automatically in the registration form. Filled in registration form and the renamed Scratch projects will be sent at scriptrial@gmail.com.
- 1 June 2014 – Announcing results
- 30 June 2014 – Sending diplomas by snail mail
- 15 July 2014 – Creating a gallery with awarded projects
