#SpaceExpo

The European Space Expo is an exciting, interactive exhibition visiting **Dublin in June 2013**. The spectacular Space Expo dome will be in Front Square, Trinity College, and open to the public from **June 4th – 9th.**

THE DOME

Inside the dome visitors will get to experience the wonders of space through interactive exhibits and will learn how space science can benefit us all.

MEDIATORS

A team of dedicated mediators will take you on a fun-filled tour of the dome and answer all of your questions.

SOAP-BOX

Every day we will host a series of short Soap-Box Talks given by talented scientists and communicators from all over Ireland.

CHNOUNE

At lunch time every day we will host the Sun@One – your chance to remotely control a world-famous telescope on the Canary Islands and take pictures of the sun.

GROUP BOOKINGS

Visiting schools and groups should ensure they get a tour by registering on our booking page, while the full range of events can be found in our programme To book, email: bookings@spaceexpo.ie
