

Young Scientist Article Competition Details

Each entrant shall submit an article of no more than 800 words before the 1st of January 2013.

The article can be on any STEM topic they like.

The article must contain links or details of source material (if possible).

There will be 2 categories:

1. Junior Cert cycle students of all ages/Transition year students
2. Leaving Cert cycle students of all ages

- The winning article from each category will be chosen by the editorial staff of Walton Magazine for inclusion into the Spring 2013 Edition (available at the end of January).
- The winners will also receive a free 1 year subscription to the magazine, merchandise and free entry to the BT Young Scientist Exhibition 2013 in the RDS from the 9th to the 12th of January.
- The Spring 2013 edition of Walton will be a "BT Young Scientist Special" with details of the projects, interviews and news from the weekend.

Students from the Republic of Ireland and Northern Ireland only are invited to enter.

Send ALL entries by e-mail to ger@waltonmagazine.com before the 1st of January 2013 with the following details:

1. Full Name
2. Home Address
3. E-mail
4. Phone Number
5. Age and Category
6. School Name and Address
