

PRACTICAL SCIENCE & HEALTH

AT THE BIOMEDICAL DIAGNOSTICS INSTITUTE

Calling future scientists! Explore topics related to health and the human body at the BDI's After-School Science Club.

Hands-on experiments and activities will help you investigate keeping your heart happy and your amazing immune system, as well as smart materials and fantastic fluorescence.

- For: 1st & 2nd Years
- Dates: Wednesday afternoons - 5th, 12th, 19th and 26th March
- Time: 3 to 5pm
- Venue: Education & Outreach Laboratory at the Biomedical Diagnostics Institute at DCU
- Cost: €15 per person.
